## Curriculum news

### Cubs Class

This week in the Cubs we have been thinking about description and how to describe the Northern lights. We have continued thinking about addition, how to find and continue patterns and more practise counting on. We also thought about the interstitial weather on Monday, looking at Google Earth to see where the hurricane had come from. We really enjoyed Diwali yesterday. All the children coped really well moving around each activity and produced some fantastic work.

### Pups Class

What a busy week to end the term! We have been learning about using number lines to add and subtract in Maths and having been developing our understanding of formal letter-writing in English. We have been working hard to prepare for our assembly and we hope you enjoyed it. Thank you to those of you who came and for all your hard work at home. Have a great break.

### Wolves Class

In the Wolves class this week we have been learning about Viking gods. In geography we have been looking at human and natural changes that happen to landscapes. We then predicted what the world will be like in the future and then looked into the changes that we can make. We have also been using our democratic skills when starting up our own Viking inspired civilisations. We also had our second African drumming session and the children learnt about dynamics and tempo. In the Foxes we have been finishing and improving our reports about dragons. In maths we have been looking into mental methods to add and subtract.

## Dates for your Diary

### Tuesday 31<sup>st</sup> October

School re-opens to pupils

### Wednesday 1<sup>st</sup> November

Sporting Club 3.20-4.15pm

Freestyle Gymnastics 3.20-4.20pm
